Notes: Camp is expected to have between 30 to 50 campers and additional staff will be brought on as necessary. Overnight campers will be bussed back and forth to a local hotel where they stay two to a room with two double beds. Camp staff stays overnight and checks in on the campers both physically and telephonically. All campers receive lunch on Saturday, dinner on Saturday, and lunch on Sunday. Overnight campers are also fed breakfast on Sunday. We will go as long as there is not severe inclement weather and the school/roads are accessible and safe. We will have indoor access to a facility inside for demonstrations/teaching.
